

# HAVE WE GOT NEWS FOR YOU!

Here's another way to thank you for your loyalty.

Servicing your needs is our highest priority. Thank you for the trust you place in us.

We understand a considerable amount of new business comes from customer referrals. We are launching a refer-a-friend program designed to reward our customers for inviting friends to try this business.

The company we're using to run our refer-a-friend program is called Boomuhrang. They have a smartphone app that makes it simple to invite friends, receive our thank you gifts and keep it all organized. See below the steps to use. Questions? Ask any of our associates.

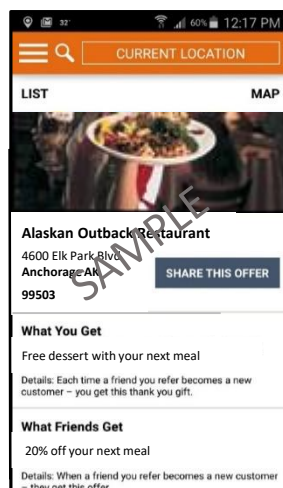

## #1 Find

You will find the Boomuhrang app on the iTunes or Google Play stores or simply text **referme** to **844-904-6844** to download.

## #2 Share

You will find this business listed at **Earn Rewards** on the app. You'll share the offer with friends (using any or all of the 11 social media apps contained) inviting them to try this business.

## #3 Redeem

Friends accepting your invitation present a voucher on their smartphone **here** to collect a "new customer" gift.

A notice will be sent to your smartphone as the referring customer saying your "thank you" gift is ready to collect **here**.

## #4 Reward

This refer-a-friend program has other ways to earn reward points for completing other activities. These points can be redeemed for items at rewards sites called **Distinctively Mine** and **Click-N-Shout**. See details on the app.
